PINEVILLE INDEPENDENT SCHOOL DISTRICT

2021-2022 Re-Entry Plan for Health and Safety

INSTRUCTIONAL OPTIONS

- Pineville Independent will offer two instructional options for students in grades 5-12. Students in these grades may choose virtual or traditional options, but they must meet district-set criteria as well as complete an application that must be submitted by July 30, 2021.

HEALTH CHECKS

- Staff and students will monitor their symptoms. Anyone with a fever or COVID-19 symptoms are encouraged to stay at home and phone the school. In the event that a staff or student tests positive, the CDC guidelines shall be followed.

HEALTH & SAFETY PRECAUTIONS

- Masks should be worn while students/staff are on a school bus.
- Non-vaccinated persons are recommended, but are not required, to wear masks indoors.
- Only essential visitors will be allowed to enter the building while students are on the premises.
- Health and Safety Precautions will be intentionally taught, including 1) proper handwashing techniques 2) how to wear a mask 3) social distance rules
- Staff and students shall be instructed on proper sanitation.
- The entire facility will be sanitized every night using EPA approved products. Throughout the day, common-use areas like bathrooms will be sanitized frequently.
- Any staff or student who presents with a temperature greater than 100.4, a cough, vomiting or diarrhea, or a new rash during the school day will be placed in isolation and a parent will pick the child up within the hour (other arrangements may be made if a parent has no transportation).
- All personnel who is performing disposal, sanitation, or food tasks shall wear gloves and a mask.
- Hand sanitizer will be readily available at entrances, in all offices, and in hallways.
- Hand sanitizer will be available in all rooms where students eat.
- If a staff or student tests positive for COVID-19, the recommended CDC guidelines and public health recommendation shall be followed

BUSES

- Buses (seats, handrails, windows, etc) will be sanitized after each bus route.
- Hand sanitizer will be available on the bus.
- Students who ride a bus should wear a mask on the bus, as will the bus monitor and bus driver.
