COMPETITIVE INTERSCHOLASTIC/EXTRACURRICULAR ACTIVITIES CODE OF CONDUCT

I am the parent/guardian of _____, a student in the
LAST NAME FIRST NAME
Murray County Schools. I realize that participation in competitive interscholastic/extracurricular activity programs is entirely voluntary. The opportunity to participate in the programs is extended to all eligible students who are willing to assume the responsibilities and meet the criteria associated with the privilege. Students engaged in competitive interscholastic/extracurricular activities are often viewed by fellow students as holding or enjoying positions of notoriety and are confronted by unique pressures and risks which make them particularly vulnerable to the harms presented by that use. Because of the potential notoriety derived from participation in competitive events, students also potentially impact or influence the attitudes and actions of other members of the student body. These participants also publically represent the Murray County Schools and our community and are held to a higher standard of expectation due to this representation.

I acknowledge that I have reviewed IDF (2) and IDFB on the Murray County Schools webpage at www.murray.k12.ga.us or have been provided with, upon my request, copies of the policies if I do not have access to the Internet. I understand the consequences of failure to comply with the required standard of conduct for my child. I further understand that all students of the Murray County Schools are also subject to the discipline code outlined in the Student Handbook.

Student signature:_____ Date:_____

Parent/guardian signature:_____ Date:_____

**Failure to return this signed form to participants coach/sponsor by the requested deadline will result in suspension of participation until the form is received and/or dismissal is required per the team rules.
