Improve student reading level by at least one grade level.

Increase the number of proficient writers by 3% by May 2019.

Provide relevant workshops and events to increase family engagement by 3%.

2nd Grade Focus Areas

Math Fluency
Fluency and Comprehension
Writing

Teachers will

- Provide math manipulative games for parents to practice fluency at home with their student.
- Provide a nightly folder for each student that contains an independent level book and leveled reading questions.
- Provide a Tiny Topic Notebook.

Parents will

- Spend time every week playing math games with their child.
- Read provided books with their student nightly, checking for fluency and comprehension using questions provided by the teacher.
- Spend time with their student each week to brainstorm ideas for writer's workshop.

Students will

- Play math games with their parents at home to improve math fluency for numbers 1-20.
- Read books on their reading level and answer reading questions nightly to improve their ability to read on grade level or above.
- Brainstorm writing ideas for writer's workshop with parents weekly in their tiny topic notebooks to improve writing skills.

What is a School-Parent Compact?

A school-parent compact is an agreement that explains how parents, teachers and students will work together to make sure all students reach grade-level standards. This agreement was jointly developed by stakeholders and is reviewed/revised annually based on feedback from all stakeholders. Compacts will be discussed during parent-teacher conferences.

Opportunities to Volunteer

We welcome and encourage parental involvement. All volunteers are required to have a background check in order to participate in some areas.

There are several ways for parents to give their time and talents. Opportunities such as chaperoning events, tutoring small groups of students and proctoring for tests are just a few.
