## PARENTS: IMPORTANT SCHOOL MEAL NEWS

Our first priority continues to be the health and wellbeing of our students, teachers, and staff members. The Quitman County Schools Nutrition department will be providing meals to all students that are enrolled in the Quitman County School System. All students will get meals at NO CHARGE in the Quitman County School System for the entire school year of 2020-2021 as a result of CEP(Community Eligibility Provision). The meals will be delivered Monday - Friday to students at their bus stop between the hours of 12:00pm and 1:00pm and parents will also have the option to pick up their child(ren) meal at the school from 12:00pm-1:00pm. We will be providing a hot lunch for the day and breakfast for the next day. With lunch, you will have a choice of meals, milk, fruit, and sides. The elementary students will have a choice of PB & J or an entree and the middle and high school students will have a choice of pizza or an entree.

Please follow this safe food handling procedure for the safety of your food items:

- Wash hands with soap and water before handling food
- Perishables(cold) food that is not eaten immediately upon delivery should be refrigerated as soon as possible
- Discard any perishable(cold) food that is not eaten or refrigerated within 2 hours of delivery
- Eat refrigerated food within 4 days after delivery
- Some of the breakfast items will need to be reheated. We have included the heating instructions.

Thank you for continued support and understanding. If you have any food safety questions or concerns please feel free to contact me at (229) 334-4298 press 1 and then press 3 or you can reach me on my cell at (229) 938-4768. You can also email me at sekeithia.Lewis@quitman.k12.ga.us
