

Microsoft Office for Students

Thanks to Mobile County Public School System's agreement with Microsoft, MCPSS students can download and install, free:

- Microsoft Office Windows 10

To install Microsoft Office applications on up to five laptop or desktop computers:

1. Go to <https://login.microsoftonline.com>
2. Under **Sign in with your organizational account**, where it says someone@example.com, enter your jsmith1234@stu.mcpss.com credentials.
3. Click the **Admin App** (located at the bottom of the app bar on the left).
4. Choose **Install Office** (located in the top right corner).
5. Choose **Install Office** again.
6. Follow prompts for downloading Office software.
