

Student Wi-Fi

Each school in the county has an antenna outside the building. At CHES it is at the gym in the south parking lot. You may also get a signal by pulling up where the buses drop off and pickup students. At Ardmore you will get a signal in front of the school and near the gym. Please contact us if you have any issues that we may help you with.

1. Go to the settings of your device
2. Select Wi-Fi
3. Select BYOD Network
4. Enter this password weARELimestone!
5. The password is case sensitive and must be entered as seen above.
