

ANGEL POWER
JANICE T. CONNELL

SERAPHIM -- Purest love and "ardor". Purest and deepest created level of adoration.

Mary sends the Seraphim to gather our prayers and transport them into her Holy Immaculate Heart.

Draw near the meek with Cherubim and Thrones

Inflamed with love of God and experience the greatest knowledge of God.

They protect the mystery of those who love with their own pure love.

They have a more capacity to love, more wisdom, knowledge, power and might, humility and graciousness than the Cherubim.

CHERUBIM -- Mighty powers of knowledge, love and intimacy with God

Protectors of the inner chambers of the Divinity

THRONES -- Pure humility

All lower choirs are dependent on Thrones to access God.

They see the truth clearly and mete out God's will.

They dispense the justice and power of God.

DOMINIONS -- Power over all leadership -- over all created matter

Represent exquisite order and discipline of order.

They show people the proper things to do.

They support attitudes needed to be preserved in order to be happy

Those befriending Dominions have no difficulty making correct decisions -- have fulfilling and prosperous lives and relationships.

They enjoy their lives immensely.

Known as Spirits of Wisdom

Aid in drawing one near the Holy Spirit of Love and experience a profusion of those gifts.

Filled with the zeal for the splendor and order of creation.

Need to be invited to lead us in our tasks and assignments.

Great ministers of God's justice to the cosmos and the world

They govern forces of chaos.

POWERS -- special Warrior Angels against evil

They defend the cosmos, including humans against evil.

Watch over and assist those who govern countries, cities, congregations and agencies

Tireless defenders of goodness

They can detect schemes and tricks before they happen

Send warnings to us when others seek to hurt us.

VIRTUES -- Spirits of motion -- they have control over all the elements. Govern all nature

Have great love for us and watch over us most tenderly

Their special job is to help us to grow in holiness and avoid accidents

Bring about signs and wonders that humans crave -- miracles are their forte'

Help us when we are sick, alone, or frightened

Make difficult things easy.

PRINCIPALITIES -- Administrative angels

To guard and guide that particular nation, city, province, town, village, and hamlet

They communicate ideas, stir up circumstances, and even interfere in human affairs to accomplish the direct will of God.

Guide events to bring blessings of contentment and abundance to the places they protect.

Solve the problems that human limitations create on earth.

ARCHANGELS -- Have a most special and protective love for all the people of the earth

Personally intervene in crises and times of need to protect and guard nations, cities, airports, churches, houses and families.

Bring great goodness and much happiness to those who invoke their aid.

ANGELS -- Most caring and solicitous -- assist those who ask for help

Invisible spirits of sheer intelligence and will

Able to penetrate the most secret complexities of science in an instant
