

Directions for Google Classroom for Parents

- 1) Open the Google Chrome Browser on an internet connected device and sign-in to Google
 - a) Sign-in can found by attempting to go to Gmail or classroom.google.com
 - b) Signing into Google will give access to programs and applications connected to the students account.
 - c) Students are familiar with how to log in
 - d) Username is: **firstnamelastname@coffee.k12.ga.us**

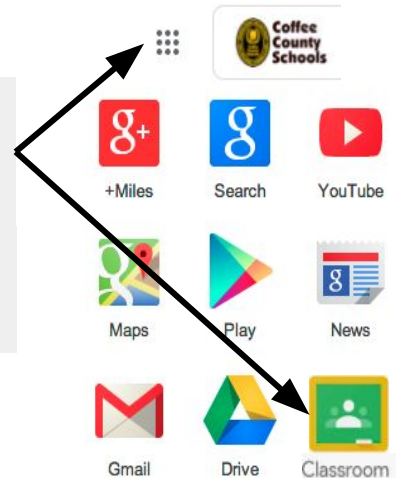

For Work

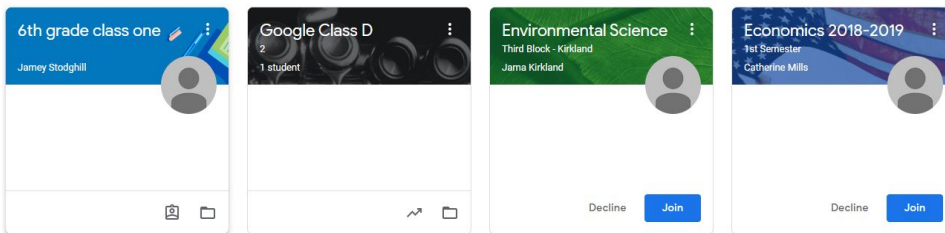

Sign in

Create an account

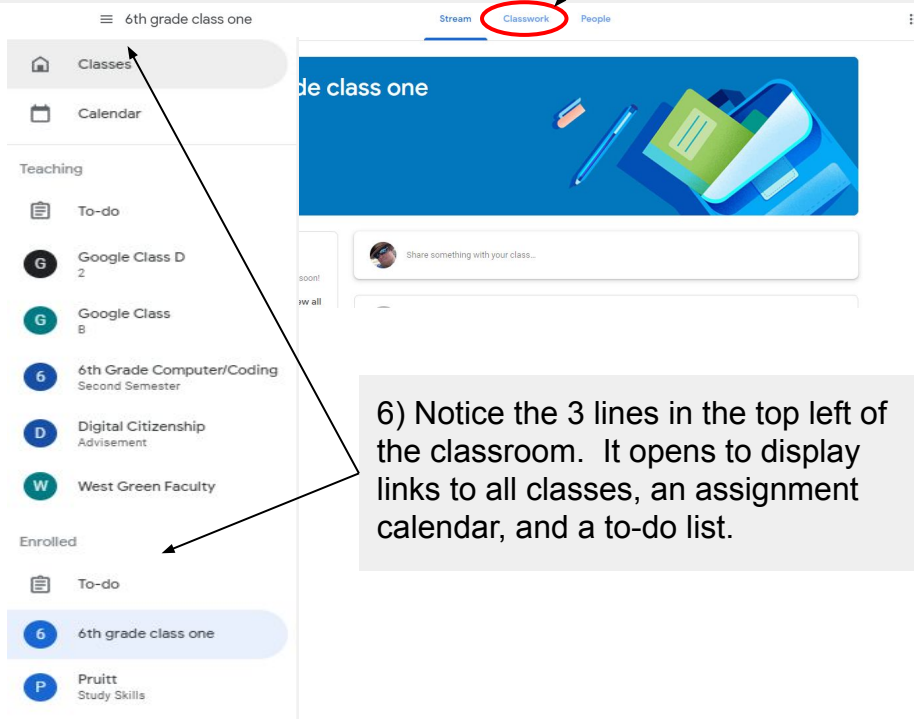

- 2) Once signed into the google account, look for the app grid on the top right.
- 3) Click into the grid and look for Classroom
- 4) The Google Classroom landing page shows all of the classes the student is connected to.

Google Classroom

- 5) The Classroom has 3 Sections. The Classwork tab will have the assignments

6) Notice the 3 lines in the top left of the classroom. It opens to display links to all classes, an assignment calendar, and a to-do list.
