

DCPS 1st Grade Week of 4/7 – 4/13

Parents,

Below you will find an outline of objectives for the week. We have included some links with videos, resources, and/or worksheets to help go along with each topic. We want to be clear that you are not expected to do it ALL. These are simply just suggestions that we know will help benefit your child during this time of distance learning. Thank you all again for everything you are doing at home to ensure that your child is still learning every day. We appreciate you!

First Grade Teachers

- **Math-** Review addition word problems to 20.

*Helpful videos:
