

New 1st Grade Program

“Reptiles Have Great Style”

Activities Include:

- Viewing of live animal specimens in the indoor classroom
 - Touch tables
- Discussion of how animals use different body parts to survive
 - Story time
 - Interactive dress-up activity for volunteering students
- Up close animal presentations including an alligator and a snake
 - Craft activity

Time Frame: 2 Hours

Call 251-221-5000 for available dates and pricing information.

Program costs include indoor program presentation and admission to outdoor animal exhibits at a self-guided pace. Talking points and suggested activities for the self-guided tour are provided at no additional cost.

If you will be eating lunch on the grounds, we will also reserve a pavilion for picnic.

Upon booking, a schedule of activities will be provided.

Program covers Alabama Course of Study for Science: #5 Design a solution to a human problem by using materials to imitate how plants and/or animals use their external parts to help them survive, grow, and meet their needs.
