

California Department of Education
School Accountability Report Card
Reported Using Data from the 2016-17 School Year

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fq/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the [CDE DataQuest Web page](#) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About Our School

The Tremont family is founded on collaboration with all community stakeholders and acts in the best interest of all students and families.

This 2017-2018 school year, Tremont is poised to accomplish amazing things. We welcome the opportunity and the challenge of supporting all students with the Common Core State Standards (CCSS). We also look forward to providing students with challenging, innovative instructional opportunities. With the hard work of all teachers, students, parents, and community partners we will continue to reach incredible heights.

School Description and Mission Statement (School Year 2017-18)

Description

Dixon Unified School District is comprised of 3 Elementary Schools, 1 Middle School, 1 High School, and an Alternative High School. Tremont's population is approximately 550 students kindergarten through 6th grade. Tremont Elementary School promotes high academic success through high expectations and rigorous academic instruction. Tremont encourages active student engagement by providing each student a diverse education in a safe, supportive, nurturing environment that promotes self-discipline, motivation, and excellence in learning. The Tremont team joins the parents and community to assist the students in developing 21st century skills to become independent and self-sufficient life-long learners who will succeed and contribute responsibly to the global market. Staff members and parents participate on various committees that make decisions regarding the priorities and direction of the educational plan to ensure instructional programs are consistent with students' needs and comply with district goals. Leadership teams include School Site Council (SSC), English Learner Advisory Council (ELAC) and Local Control Accountability Plan (LCAP).

Mission Statement

We strive to meet the needs of each of our students by adhering to the District's core beliefs and vision, which serve as guiding principles for site level planning. The guiding core vision is: Plan and act to meet our students' needs first, engage students in learning through innovative and effective instruction, invest in the growth and development of our staff, support learning through modern technology and safe facilities, and ensure on-going, measurable improvement through collaborations. All of these are the foundation of the district vision of: To close the achievement gap by preparing all students for college and career readiness and success in a global society.

Tremont's Vision is to provide a strong sense of community that supports the whole child through high expectations, a balanced, rigorous curriculum and technology to create critical thinkers in a global society.

School Facility Conditions and Planned Improvements

Tremont is a twenty five year old school that meets all state requirements for school facilities. The Dixon Unified School District along with North Bay Insurance performs yearly safety inspections with the purpose of identifying and correcting any and all safety issues and concerns. Above and beyond the daily cleaning maintenance performed by custodial staff, the district schedules thorough cleaning of classrooms on a regular basis. All classrooms/spaces have Internet access and phones.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in ELA and Mathematics for All Students

Grades Three through Eight and Grade Eleven (School Year 2016-17)

Subject	Percentage of Students Meeting or Exceeding the State Standards

Mathematics (grades 3-8 and 11)	32%	29%	32%	31%	36%	37%

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Students with Disabilities	53	47	88.68%	
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite

Opportunities for Parental Involvement (School Year 2017-18)

Tremont values and includes all stakeholders in the educational process. At school, parent participation is active and a key component of our culture. Family members contribute to the Tremont community in many ways, including volunteering in the classroom, attending parent education classes, organizing and assisting in daily school activities, and participating in committees. The School Site Council (SSC) and Teacher Parents Organization (TPO) invite parent/guardian involvement in school planning and activities. School Site Council Committee (SSC) help plan and evaluate the overall school program and approval of yearly budget expenditures. The English Language Advisory Committee (ELAC) assists in assessing the needs of and offering support to English Learners. The Teacher Parent Organization raises money for school to use each year. Family volunteers staff other school-wide events such as book fairs, movie nights, festivals, and school beautification efforts. Weekly newsletters ensure that parents/guardians are informed about curriculum, activities, and functions at Tremont. Parents are also encouraged to participate in Local control Accountability Plan (LCAP) district committee to help plan and evaluate local school funding.

School Safety Plan (School Year 2017-18)

Maintaining the safety and security of students and staff at Tremont Elementary School is a priority in our daily operations and long-term planning. When family members, volunteers, or representatives from outside agencies visit the campus, they first report to the office where they sign in and acquire a visitor badge. This protocol is encouraged with signage and reinforced by staff members. Students are supervised during all parts of their day. Certificated staff provides instruction and oversight during class time while classified staff supervises students during recess and lunch periods. The Comprehensive School Safety Plan is in compliance with Senate Bill 187. Yearly, the committee meets to review materials. In addition to an Incident Command structure, this document outlines responses to fires, floods, earthquakes, toxic spills and campus intrusions. Specific instructions for staff and student response are outlined in the plan. All staff and students practice fire drills monthly and lock down drills at least twice a year to reinforce the procedures outlined in our Safety Plan. Should such a situation arise, school staff will remain on duty to ensure the welfare of all Tremont students until it is feasible and appropriate for parents and guardians to pick them up. The school maintains necessary first aid supplies in designated locations and these are inventoried and replaced each year.

Types of Services Funded (Fiscal Year 2016-17)

Tremont receives Title I Funding and the School Site Council approved the Single Plan for Student Achievement (SPSA) in April 2017. The SPSA included the following: funds to provide support through additional staff for Intervention and English Language Development instruction, Professional Development opportunities for staff, afterschool intervention tutoring, improvement of school climate and student behavior through PBIS and supplementary materials and technology to provide additional support to the CCSS. Tremont continue to tailor its programs and services to meet the unique needs of its students. Programs are adaptable to meet the needs of each child and student enrollment shifts as students achieve learning goals and others are identified to receive assistance.

Professional Development

Professional development for the 2017-2018 school year included: professional learning communities (2 days offered over the summer, 2 days during winter break), UCD math and writing projects, PBIS, and EL Achieve, in which training days are provided throughout the school year. Teachers also have Common Planning Time (CPT) that occurs each week on early-release Wednesdays. During this time, teachers collaborate in grade-level, site, or district groups to reflect upon student progress and plan for continued student learning. The areas of focus for collaboration at the elementary level include engagement strategies, differentiation through small group instruction, and implementation of English Language Development strategies. These areas were identified through the collaborative LCAP process in 2016 with a common purpose of aligning curriculum and instruction with the Common Core State Standards. Professional development conducted during CPT is augmented by the support of an Instructional Math and ELD district Coach. These Instructional Coaches work closely with classroom teachers to model and facilitate the use of research-based teaching strategies, research and provide resources on innovative practices, and analyze and reflect upon student achievement data.
