

Monday Memo

From the Principal's Desk

Greetings:

The Upper Elementary Team is extremely thankful for our parents who participated in Open House on Thursday, September 17, 2020. We look forward to working with you throughout this school year.

New Schedule

This week we will implement a district-wide bell schedule for our scholars. The new schedule has four (4) cohort groups instead of two. Live instruction will take place Monday through Thursday. Friday has been designated for assessments and social emotional learning activities. Please check your scholar's email to ensure they are using the correct schedule (color track).

Canvas Transition

We are in the process of transitioning from Google Classroom to Canvas. Canvas is the school's online learning environment where students will connect to teachers, submit assignments, and view grades. You will receive a notice prior to the final transfer from Google Classroom to Canvas.

The Upper Elementary team is here for support and you are encouraged to contact us for assistance as we work alongside our scholar.

Teamwork, Collaboration, and Success!
