

Western Line School District Registration Procedures for 2021-2022 Through Active Parent

Parents are encouraged to call for an appointment to meet with staff at the school if they need assistance registering students.

Returning Students:

Parents must provide the **Residency Waiver Form** stating the residency address has not changed since enrolling for the previous school year and have or create an Active Parent account. The **Residency Waiver Form** can be printed from the District website, or picked up from any of the school offices (from a box outside the office or through the outside window – where available). Once this form is completed you can turn the form into the office to gain the Activate Code.

After gaining the activate code, you may register your child(ren) online from any location. If you need assistance, you can make an appointment with office staff during the Registration Window (July 12 – July 23, 2021) to come to the school if you believe you will need assistance registering the students for school.
