

August 2020

Dear Parents,

I am excited about your child's opportunity to serve as a library helper in the CHMS library. Your child will learn many new skills this year. On August 13th there will be a library helper meeting after school until 6:00 pm in which I will provide pizza and train all the helpers. The CHMS AGENDA is the only item your child is required to bring to the library. It would help out if your child would bring the following supplies.

4 boxes of Kleenex
2 bottles of hand sanitizer
1 container of Clorox wipes
1 box of Swiffer dusters

Let me know if you have any questions. Thank you for your support!

Sincerely,
Mrs. McIntyre
CHMS Library Media Specialist
