

Call Out for April 2, 2021

This is Richard Dennis, Superintendent of Elmore County Public Schools.

Over the spring break vacation 9 students and 3 employees reported testing positive for COVID-19. As this week ends 2 employees and 2 students reported testing positive. The Governor's Mask Order will expire next Friday, so beginning April 12 masks will be optional for employees and students. We will continue to adhere to the other required ADPH and ALSDE guidelines.

Please be reminded that April 16 is the deadline to register your student for EDGE, Elmore County's virtual school. The EDGE will be the only virtual option for Elmore County Public School students next year. Visit the Elmore County website for information.

If you wish to get call outs and other system-wide communications texted to you through Remind, visit the Elmore County Public Schools website and follow the registration process.

Thank you for your support and have a great Easter weekend!
