A Parent's Guide to Title I

What is Title I?

Title I, Part A is a federally funded program under the Every Student Succeeds Act (ESSA). The purpose of Title I under ESSA is to ensure that **all** children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments.

Which Houston County schools are Title I schools?

CB Watson Primary	Northside High	Tucker Elementary
Centerville Elementary	Northside Middle	Warner Robins High
Eagle Springs Elementary	Parkwood Elementary	Warner Robins Middle
Huntington Middle	Pearl Stephens Elementary	Westside Elementary
Lindsey Elementary	Perry Middle	Crossroads Center
Miller Elementary	Russell Elementary	
Morningside Elementary	Shirley Hills Elementary	
Northside Elementary	Thomson Middle	

What supports are provided through Title I?

The Title I Program offers a variety of supports which may include, but are not limited to, additional teachers, support staff, instructional materials and supplies, technology to support student learning, tutoring, professional development for school staff and capacity building events for families.

What role does family engagement play in Title I?

Family engagement is an integral part of the ESSA law. Districts and schools receiving Title I funding must:

- Ensure that high-quality academic assessments, accountability systems, teacher preparation and training, curriculum, and instructional materials are aligned with challenging State academic standards so that students, teachers, parents and administrators can measure progress against common expectations for student academic achievement.
- Afford parents substantial and meaningful opportunities to participate in the education of their children.

Families,

You can have a tremendous influence on your child's success in school. By partnering with the school and participating in the Title I program, you will:

- show your child that you support and value his/her education.
- be able to closely monitor your student's progress.
- build stronger relationships between home and school.
- provide valuable input about schoolwide programs.

Research shows that students whose families are engaged perform better academically, socially and behaviorally. Be sure to become involved in your child's school by:

- communicating regularly with your child's teacher.
- attending academic-based family events and parent-teacher conferences.
- volunteering at the school.
- joining the Parent Action Team or School Council.
- providing input concerning the Title I program at the school.

Thomson Middle School Parent and Family Engagement Plan

2018-2019 School Year

Thomson Middle School
Dr. Walter Stephens, Principal
301 Thomson Street
(478)953-0489

Plan Revised: August 20, 2018

What is Title I?

Thomson Middle School is identified as a Title I School as part of the Every Student Succeeds Act (ESSA). Title I is designed to support state and local school reform efforts and is tied to challenging state academic standards in order to reinforce and enhance efforts to improve teaching and learning for all students. Title I programs must be based on effective means of improving student achievement and include strategies to support families. Parents are an important part of the Title I team at Thomson Middle School and through this partnership work with our school; they help us make sure that students achieve success. All Title I schools must jointly develop with all parents a written parental engagement plan.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how Thompson Middle School will provide opportunities to improve parent engagement in support of student learning. Thompson Middle School values the contributions and engagement of parents and family members to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that Thompson Middle School will support parent engagement and how parents can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

Thompson Middle School invites all parents to attend our Annual Shared Decision Making Meetings each spring to review and revise this Parent and Family Engagement Plan, the School-Wide Plan, our School-Home Compact and the parental engagement budget. Additionally, parent input and comments regarding this plan are welcome during the school year. The plan is posted on our school website for parents to view and submit feedback throughout the year. All parent feedback received during the year will be used to revise the plan for the next school year. We also distribute an annual survey to ask parents for their suggestions on the plan and the use of funds for Parental Engagement. Parents and guardians can also give feedback during several meetings, academic events and activities during the school year. Any unsatisfactory comments regarding the Title I Plan will be reported to the district.

Who is it for?

All students participating in the Title I, Part A program and their families are encouraged and invited to fully participate in the opportunities described in this plan. Thompson Middle School will provide full opportunity for the participation of parents with limited English, parents with disabilities and parents of migratory children.

Where is it available?

At the beginning of the school year, the plan is included in the Title I Parent Handbook that is distributed to all families. Copies are also available in the school office, on the TMS website and in the Parent Resource Center.

District Goals 2018-2019

The mission of the Houston County School System is to produce high achieving students.

- Increase the value of the overall district College and Career Readiness Performance Index (CCRPI) score by 3% by focusing on literacy, high quality standards based instruction and a multi-tier system of supports.
- Increase the percentage of parents who feel their child's school provides various opportunities for engagement.

Parent and Family Engagement Partnership

Partnering with Parents is an ongoing process that increases active participation, meaningful, two-way communication and the collaboration between parents, school and communities. By stakeholders forging together, we will experience consistent academic growth for all students.

We believe these goals can be achieved by ensuring –

- That the environment is conducive to create a welcoming partnership;
- That parents are encouraged to be actively involved in their child's education at school;
- That parents play an integral role in assisting their child's learning at home process;
- That parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child;
- The carrying out of Family Engagement Events and other activities as described in this plan.

Thomson Middle School Goals 2018-2019

The Mission of Thomson Middle School is to inspire, support, and prepare all students with a quality educational experience, while building integrity and character to be successful and competitive in a global society.

- *Increase the number of students scoring proficient and distinguished in grades 6, 7, 8 on Math and Reading by 4% as measured by the GMAS by May of 2019*

School-Home Compacts

As part of this plan, Thomson Middle School and our families have developed a School-Home Compact. The Compact is an agreement that parents, teachers, and students developed together. It explains how all parties will work together to make sure all our students reach grade-level standards. Copies of the Compacts are reviewed and updated annually based on feedback from parents, students and teachers. The School-Home Compacts are kept in the Family Engagement Coordinator's office, school's front office and on the school's web-page. Signed Compacts are kept on file and will be reviewed at all parent-teacher conferences.

Building Capacity for Engagement

Thomson Middle School will take the following measures to promote and support parents who serve as an important foundation of the school in order to strengthen the school and reach our school goals. We will:

- Ensure that all information related to school and parent program meetings and other activities is published in English, Spanish and understandable language upon request. Events details will be posted on the school website, Facebook, flyers, emails, messenger call-outs, and marquee, as well as being included in the weekly newsletter.
- Conduct at least four staff development events throughout the year that will focus on the value of parent contributions, communication in a language that parents can understand, methods to build ties between home and school and focus on parent requests for specific parent and family engagement events.
- Work with our parents to develop relevant trainings and helpful presentations to educate our staff on the importance of parental engagement.
- Share information in English and Spanish on the school website for parents to understand the school's academic standards and assessments as well as the ways parents can monitor their child's progress and work with educators.
- Communicate with all families and the community on a regular basis regarding school-wide events and activities through phone messages, social media, and flyers.
- Provide necessary materials and handouts for parents at conferences, meetings, and activities to help parents work with their child to improve their child's "Learning at Home" process.
- Partner with community and business organizations to enhance activities and events listed in the Parent and Family Engagement Plan.
- Provide information on our District's Literacy and Computer classes for parents to help further enhance their various educational levels.
- Listen and respond to parents at all events as well as post on the school website in order to respond to parents' request for additional support for Parental engagement activities.
- Conduct orientations for transitioning students and parents as they enter our school for the first time.

Types of Parent Engagement

We have adopted the National PTA Standards for Family-School Partnerships as the school's model in engaging parents, students, and the community. We believe these six standards will engage parents in their children's lives. Allow parents to experience positive interaction with the school, feel included in the decision-making process, increase confidence, and most importantly affect student academic achievement.
