

Call Out for February 19, 2021

This is Richard Dennis, Superintendent of Elmore County Public Schools.

This week 5 employees and 22 students reported testing positive for COVID-10 which is the lowest number that we have seen in several months. If your student is sick, please keep him or her at home to avoid potential exposure of others and continue to follow ADPH guidelines to help keep Elmore County in a positive health status.

The end of the 3rd grading period is March 12. Please encourage your student to work hard these last few weeks to successfully complete each of their courses. We encourage parents to check on their student's progress and communicate with teachers and administrators if necessary.

If you wish to get call outs and other system-wide communications texted to you through Remind, visit the Elmore County Public Schools website and follow the registration instructions.

Thank you for your support and have a great weekend!

Every Student Empowered, Every Student Succeeds.

Richard Dennis
