CHAMPION - NORWAY

The 39th annual JRT Olympiad was held March 29-31, and was definitely one for the books. This is mainly because many new events were added. Corn Hole, Cone Ball, and Archery were added to the opening day of Olympics. Another country, Jamaica was also added. This addition gave a chance for more people to become involved in the various events. Academic bowl winner went to Ireland. Jamaica was the winner of the gold medal for Reading Olympics. Aleah Ajohda, from team Australia, was the individual winner of the Reading award. Opening day event winners are as follows: 3 on 3 Basketball: Australia; Soccer: Kenya; Archery: Costa Rica; Cone Ball: Norway; Corn Hole: Australia. The tug-of-war gold medal went to Costa Rica. Australia was the winner of the basketball relays. Norway is the 2019 Champion, followed closely by Australia. Third place went to Costa Rica, and Brazil came in fourth.

Congratulations to Danny Richardson and Jameson Rolan! These guys competed at the Technology Student Association, and did a great job. Danny placed 9th in Dragster Design and Jameson placed 10th in Dragster Design. Both are eligible for TSA Nationals in DC this summer.

JRT celebrated National Assistant Principal's week April 8-12. We have the best assistant principal and celebrated him all week long with each grade showering him with various gifts throughout the week. We are truly blessed to have an administrator that loves our students, staff, and families the way he does.
