

School Guidance for COVID-19

Symptomatic Staff

If a staff member calls the school office to report any of the following symptoms:

										
Fever or chills	Cough	Shortness of breath or difficulty breathing	Fatigue	Muscle or body aches	Headache	New loss of taste or smell	Sore throat	Congestion	Nausea or vomiting	Diarrhea

It is recommended that:

The staff member contact their Primary Care Provider for diagnosis and/or testing. If they have no Primary Care Provider, the Department of Health will test at no charge.

The Pandemic Coordinator or designee should contact the Department of Health's COVID School Hotline at 863-519-7912 to notify DOH of the symptomatic staff member.

Document the following information in the school's COVID Tracking Spreadsheet:

Staff Name

Date of Symptom onset

Contact Information

Class schedule

Method of Transportation to/from School (bus rider, car, walker etc.)

Build line list of symptomatic staff close contacts from the following areas going back 2 days from the date of symptom onset:

Class schedule

Method of transportation

Extra-Curricular activities

(over)

Department of Health will:
