

FRAZIER Elementary School

Dr. Kelly Muic

Elementary School Principal, Federal Programs Coordinator & Pre K Counts Coordinator

ANNOUNCEMENT:

We are kindly asking parents and guardians to follow the dismissal procedures outlined below. The procedures have been designed to ensure the safety of all students at our school:

- Please make sure your child knows their dismissal plans.
- All changes in transportation plans must be put in writing and sent to the children's teachers in the morning.

• NO DISMISSAL CHANGES AFTER 2:30

- Emails cannot be used to notify the teacher or school due to the fact that substitutes do not have access to our email system.
- End of the day phone calls to change your children's dismissal plans result in difficulties to safely honor requests. These calls should be limited to True Emergencies Only!

These procedures have been designed to ensure the safety of all students at our school. Your patience, courtesy, and willingness to work with the school will assist us in well-organized and safe dismissals.

Thank You for your cooperation in protecting the safety of all our children!
