BOARD WORK MEETING

June 18th, 2019

4:00 p.m.

Quemado School Library

Call to Order The meeting was called to order at:4:12

Discussion Items:

Discussion on Board Policy Review – Mr. Lackey’s suggestion for reviewing and making changes from Don Williams, the lawyer, was to review and write any questions and comments down and he will be able to address them.

Anna made a comment about the sick leave bank and it not being on the new draft policy. Mr. Lackey will look into it.

We went over Sandra’s comments and concerns, one by one and discussed them with the board.

Tim asked what the true meaning for this meeting is. Mr. Lackey responded that this is just going through the draft policy and deciding what changes are made and what we would like to have changed. Tim asked if Mr. Lackey could get a side-by-side comparison between the current policy and the draft, Mr. Lackey said he would check with Mr. Williams to see if it was possible.

Mr. Lackey made notes of all concerns that were address during this meeting and said he would take them to Don Williams.

There was some discussion as to whether or not we have another work meeting next month and it was decided that the board would be notified if there would be a work meeting next month.

Meeting was adjourned at 5:10.
