8 AM	10:30 AM
READING	MATH

Prior to Test Day

1. Make sure your device has an internet connection
2. Disable pop-up blocking on your internet browser
3. Make sure your device meets testing requirements using

<https://tinyurl.com/f82dnr9z>

4. Make sure you have headphones

5. Watch the [MAP Growth introduction video](#)

6. Practice the test at practice.mapnwea.org

(Username: grow, Password: grow)

- *7. You will need to REGISTER in advance to join the zoom for this meeting.

Go to: <https://tinyurl.com/2t2mfz4r> to register.

After registering, you will receive a confirmation email containing information about joining the meeting.

ON TEST DAY

1. Join the ZOOM Session with your preregistration information. *See above.

2. Log in at test.mapnwea.org

3. Make sure you have access to a phone to communicate with the teacher/proctor during the test if more assistance than can be given through ZOOM is needed.

4. Follow any additional instructions from the teacher/proctor

We will begin at 8 AM all three days.

9th Grade on Wednesday and 10th grade on Thursday.

If you have issues put it in the ZOOM Chat. We will do our best to solve the problem.

For emergencies: you can call 478-988-6340 ext. 54546.

My email is donna.green@hcbe.net

I will be giving you your MAPS test.

Please contact me for questions, not your DL teacher.

Thank you,

Ms. Green
