Meal Delivery Option during Temporary School Closures Now Available!

When?/ What?

Effective February 15, 2021, families may opt-in to receive meal deliveries via school bus in the event their child's school closes temporarily due to COVID-19. Meal delivery and/or pick-up options may vary from school to school based on availability. Specific meal service options will be sent at the time of school closure.

How?

Pre-registration for meal deliveries is required. Register NOW to prevent a delay in receiving these meals. Opt-in to receive meals during a temporary school closure by clicking the link below.

Who?

Meal deliveries are only available to **current bus riders**. Additional children in the household may also be eligible to receive these meals based on availability. Registration is only required for each student enrolled at the temporarily closed school.
