

# SPREAD *the* WORD

## What's Happening This Week at DR?

### **BE PREPARED**

WISDOT has notified us that south of the industrial park in Hartland on HWY 83 there will be road/bridge repair work beginning Monday 9/21 through 10/9. You will be rerouted off of HWY 83 at that point.

### **FINANCIALS**

From July 1-September 12 and due to Covid related issues, our Offerings are **\$89,000** behind the budget number. This is the number that we use to pay bills, but also to provide ministry throughout our church, school, and to the community.

*What are we doing to possibly help this shortfall?* As a staff we have brainstormed ways to bring in extra money - we welcome your ideas. POSSIBLE ideas are fundraisers: Car show, Rummage/Craft sale, and Cookbook.

If you are a professional who could provide a service to the church for various maintenance projects and can donate your time and talent, please contact a member of the church staff. Please help as you can.

### **BLESSINGS**

- We have had 19 baptisms year to date. We praise the Lord for these little lambs joining His fold and for the holy sacrament of Baptism and His grace and forgiveness.
- Women's ministry has officially begun their 6-week Bible study (There is still time to sign up). Over 130 women have joined! [You can follow g4G on facebook.](#) [Follow Mom of DRLC on facebook here.](#)
