

Native Americans and Alabama's Plants, Animals, and Skies

4th and 5th Grade Program

Activities Include:

- Nature hike to discuss native plants and their uses
- Up close animal presentations including an owl and opossum
- "Starlab" portable planetarium presentation
- Native American stories related to Alabama's plants, animals, and skies

**Don't forget to visit
our awesome gift shop!**

Time Frame: 2 Hours

Program costs include indoor program presentation, forest tour, and admission to outdoor animal exhibits at a self-guided pace.

Talking points and suggested activities for the self-guided animal exhibit tour are provided at no additional cost.

If you will be eating lunch on the grounds, we will also reserve a pavilion for picnic.

Upon booking, a schedule of activities will be provided.

Program covers ALCOS Objectives for Science, Social Studies, and Language Arts.

For available dates and price information please call 251-221-5000
