

# 6th Grade Newsletter

January 27-31, 2020

## **Science - Ms. Marquis/Mr. Drewnoski**

Over the next couple weeks the students will be reviewing the scientific method and lab safety. They will be completing several labs which requires them to follow the steps of the scientific method and to use detailed measurement skills as well as following directions. Students make a foldable for each unit. They keep their vocabulary words, homework papers, and any other worksheets or class work that is completed in class in this foldable. Please help your student to study for HW quizzes.

## **Math- Mrs. Voorhees/Mr. Drewnoski**

You may contact me at: [taffi.voorhees@southern.k12.oh.us](mailto:taffi.voorhees@southern.k12.oh.us)

We are on Module 4 Integers. We will have a test on Friday, January 24th.

We are using standards: 6NS4 6NS5 6NS6 6NS7

Vocabulary: integers, positive, negative, absolute value, credit, debt, withdraw, deposit, opposites, coordinate grids, ordered pairs

\*\*Activities to extend learning this semester in math using Bloom's Taxonomy.

## **Language Arts - Mrs. Kekel/Mr. Drewnoski**

You may contact me at: [brenda.kekel@southern.k12.oh.us](mailto:brenda.kekel@southern.k12.oh.us)

The students will be working on writing a 5 paragraph argumentative essay. They will be learning the different parts of the essay including a thesis statement. The students will discuss each paragraph of the essay individually before constructing it all together.

RI 6.8 W6.1

## **Social Studies - Mrs. Sakely/Mr. Drewnoski**

There is no 6th grade Social Studies the second semester of the school year.

## **Intervention Specialist - Mr. Drewnoski**

I will be sending out invitations to the parents of students on IEP to join my ClassDojo group. This can be accessed through a computer or a smartphone app. If this is not possible we can communicate via email or feel free to call the school to contact me. With ClassDojo I am able to send images and resources to keep you up to date on your students progress. It is also just a simple way to communicate. For questions and/or concerns, please contact me at: [keith.drewnoski@southern.k12.oh.us](mailto:keith.drewnoski@southern.k12.oh.us)
