

Teacher Behavior Report

Instructions: Please answer each statement/question in detail. Use additional paper, if necessary. Attach any office referrals and intervention data.

Person Completing this form: _____

Date Form Completed: _____

Please provide a description of this child's behavior:

Please describe the settings in which these behaviors occur:

What are the antecedents leading up to the behaviors?

What are the consequences immediately following the behaviors?

What attempts have been made to address and correct these behaviors and the results? Include any disciplinary actions and office referrals.

Provide a description of how these behaviors adversely affect the child's educational performance:

Provide a statement as to whether these behaviors are typical for the child's age, setting, circumstances and peer group. If not, how are these behaviors different.
