

Fifth Grade Newsletter

December 2-6, 2019

<p>Reading</p>  <p>Mrs. Patterson Mr. Nejus (5A)</p>	<p>We will be working on our cereal box project on Tuesday and Wednesday. On Thursday, students will be giving their presentations. Please make sure their box is brought in by Tuesday. I keep delaying the project because many students are missing theirs. There will be no spelling this week. Spelling and vocabulary will resume the following week.</p> <p>All students will need to bring in a cereal box for an upcoming project.</p> <p>Questions or comments: dana.patterson@southern.k12.oh.us Phone number: 330-679-2343 Ext. 4083 Standards: RF.5.3, RF.5.4 (a,b,c), RL.5.1, SL.5.1 (a,b,c,d),</p>
<p>Math</p>  <p>Mrs. Scheel Mr. Nejus</p>	<p>This week students will be focused on reviewing 4th grade division of multi-digit numbers by one-digit numbers as well as expanded our practice into multi-digit numbers by two-digit numbers. In order for students to be successful, it is important that you are practicing multiplication facts with your student daily. On Friday, we will have a dividing using the Big 7 strategy quiz. We will also work in math workshop, practicing multiplication facts, number of the day activities, weekly work focused on place value review, and challenge activities that are based on student scores and abilities as shown on the STAR math assessment.</p> <p>Homework: Wednesday - Partial Quotients (Big 7) Practice Standards: NBT.6 Questions or comments: tiffany.scheel@southern.k12.oh.us Phone: 330-679-2343 Extension 4084</p>
<p>Science</p>  <p>Ms. Marquis Mr. Nejus</p>	<p>This week we will review food webs and chain and the interactions between different organisms within an ecosystem. We will introduce symbiotic relationships between organisms to explore interactions between different organisms in an ecosystem.</p> <p>Standards: 5.LS.2 - All of the processes that take place within organisms require energy. For most ecosystems, the major source of energy is sunlight. Energy entering ecosystems as sunlight is transformed by producers through the process of photosynthesis. That energy is used or stored by the producer and can be passed from organism to organism as illustrated in food webs.</p> <p>Questions or Comments: karen.marquis@southern.k12.oh.us Phone no. 330-679-2301 ext 4090.</p>
<p>Social Studies Mrs. Sakely Mr. Nejus</p>	<p>Students will not have Social Studies until the 3rd and 4th nine weeks of the school year.</p>
<p>Reminders</p>	<ul style="list-style-type: none">• Thanksgiving Break will begin Wednesday, November 27. Classes will resume Tuesday, December 3.
