

Genesis From Abram to Moses

This is Part Two of the study of Genesis. In this eight week study of Genesis we will start with God's call of Abraham. We will follow Abram to the promised land, study the significance of his encounter with Melchizedek, explore the destruction of Sodom and Gomorrah, study the typology of the sacrifice of his son Isaac, and most importantly the three covenants that God made with him. We will finish up with the romantic story of Isaac and Rebekah.

The primary resource material for this study will be:

1. "A Father who keeps His promises" a book by Scott Hahn
2. "Finding Christ in the Old Testament" a tape series by Scott Hahn
3. "The Great Adventure" The Bible Timeline series by Jeff Cavins & Scott Hahn
4. "Genesis" Catholic Scripture Study by Gayle Somers & Sarah Christmyer
