

# Athletic Physical Information

Physicals for all sports for the 2020-2021 school year have been scheduled. However, we are urging all of our Tiger Athletes, if at all possible, to have your physical completed by either your personal physician or the Minute Clinic at the Kroger on highway 96. Once the physical completed, please upload the document to DragonFlyMax. The instructions to dragonfly and a blank physical form can be found on our TMS website under Athleteics.

When registering on DragonFlymax please make sure to complete ALL forms requires under 2020-2021 tab. Use the school code provided on the DragonFly form. Upon approval, upload the physical to DragonFly by taking a picture. A physical and the dragonfly must be completed to participate in any sport.

If you are not able to obtain a physical there is an opportunity to obtain one through our school system. DragonFlyMax **must** be completed by June 23. Pre-screening will take place on the **26<sup>th</sup> of June** at the **TMS Gymnasium**(height, weight, vision, blood pressure, etc..). We will start at 1:00 pm.

1:00---cheer, 1:20---softball, 1:40---soccer, 2:00—football, 2:20—basketball, 2:45—track, 3:10—baseball

**The fee for the school physical is \$10 and it must be paid at check-in on the 26th.**

Please come at your slotted times. Parents must wait in the parking lot for your students to complete the screening. When your student is done, he/she must go straight to the car and leave the campus. Remember, our main goal is safety for everyone involved.
