

Alvord ISD Family:

Alvord High School Principal Dr. Rhett King has accepted a position as Principal at Tidwell Middle School in Northwest ISD. While we are happy for Dr. King we are sad to see him go. This is a great opportunity for him and his family. We appreciate everything Dr. King has done for our students and staff at AHS.

Alvord Middle School Principal Michael Thurman will be the new Principal at Alvord High School. Alvord Elementary Assistant Principal Jessica Bull will be the new Principal at Alvord Middle School. Mrs. Bull will also continue to serve as District Testing Coordinator; her Assistant Principal position at Alvord Elementary will not be filled.

We are fortunate to be in a position to fill these positions internally. Mr. Thurman and Mrs. Bull both do things the Alvord way. They work hard and care deeply for their students and staff. Leaving their current positions is a difficult thing for both of them; I am excited to see what they accomplish in their new roles.

Dr. King's last day will be this Friday, January 13th. Mr. Thurman and Mrs. Bull will assume their new positions on Monday, January 16th. I know I can count on everyone to pull together to help make this transition as soon as possible. I cannot tell you how much I appreciate our school district and community.
