

Alert Now 08-24-20

Good evening, this is Deb Cantrell from Fannin Middle with a few important announcements. Two items were sent home with your student today. First is our 20-21 Parent and Family Engagement Plan. Please take a moment to review the plan and let me know if you have any questions or feedback. The other item is our updated exemption policy. Based on parent feedback, the focus of exemptions will shift from attendance to academic performance. Again, if you have any questions, please feel free to reach out. Lastly, a reminder that this Thursday, August 27th is fall picture day. Everyone will have their picture made for the yearbook but packages are pre-pay only. Order forms were sent home last week but extras are available in the main office. Thank you and have a great week.
