

Prague Public Schools Indoor Facility Protocols

- Families need to sit together.
- Temperature checks will be taken for student athletes before every game or contest. Those with temperatures above 100.4 will not be allowed to participate.
- The first two rows of bleachers may be used to allow for social distancing of athletes and staff on sidelines and limit the number of people on the bench.
- Mats and basketballs cleaned and sanitized after every practice and competition according to manufacturer's recommended guidelines.
- No handshakes.
- Limited Capacity – all indoor facilities will be limited to 40% capacity. A clicker will be used by gate keepers.
 - That is 520 for the new gym and 400 for the old gym.
 - Each High School athlete and cheerleader will have access to 6 tickets each (ticket holders must still pay at the gate) (each athlete will turn in a count to their coach each week and receive their tickets) (This will ensure that family gets first priority to watch their children)
 - That is 350 with lobby seating and 280 without lobby seating in the auditorium.
 - We will have 2 performances for Christmas Band Concert
5:30 for Middle School & 7:30 for High School
Each student will have 6 tickets
 - 2/3rd grade will have 2 Christmas performances, one for 2nd grade parents and one for 3rd grade parents. That is approximately 5 people per student.
 - 4/5th grade will do 2 Spring performances, one for 4th grade parents and one for 5th grade parents. That is approximately 5 people per student.
 - Events will be live streamed at praguereddevils.tv or on the school Facebook page unless there is a conflict of 2 or more events.

****Please note: This is 40% of building capacity, not of normal attendance. We never reached 40% capacity at any basketball game last year so we do not believe this should affect anyone getting to see the game – individuals may have to sit on the visitor side.****
