Dear NMPS Families and Staff:

New Milford Public Schools will be placed on remote learning for the period of April 19-23, with all students at all schools returning in-person on April 26. Our district data shows that having a week of remote learning after a school vacation has been very successful as a mitigation strategy for New Milford Public Schools. It is anticipated that many families will be traveling and socializing during the April break. Out-of-school socializing contributes to exposure and our community herd levels won't be at a protective level.

COVID safety guidelines regarding exposure, along with travel restrictions, are changing weekly it seems. Prior to travel, please make sure you are aware of current recommendations from the CDC at <https://www.cdc.gov/coronavirus/2019-ncov/index.html> and State of CT at <https://portal.ct.gov/coronavirus> regarding quarantine and return to work or school.

Please stay safe! If you or your child have been exposed and/or are not feeling well, please stay home and consult your doctor.

Sincerely,
