

Make-up Policy

The policy for the class, as well as for the county, is a day for a day policy. For every day the student is out they will have that exact amount of days to collect and complete all work for ALL classes. Students will not receive a grade if work is not completed in the allotted time. Teachers are not required to give more time.

Grading Policy

100-93	A
92-85	B
84-75	C
74-70	D
69-0	F

Behavior Policy

Students will be expected to treat one another with respect. We will have a social contract that all students will be expected to follow. Upon breaking the contract, students will be redirected. If a major offense were to take place students will be sent from the room to the office where it will be handled by the administration.

Discipline Policy

Students will be given opportunities to correct behavior. If they choose to repeat the same offending behavior they will receive a write-up and a phone call home to a parent/guardian. If the same behavior/offense continues parental meetings will be made with teachers and administrators. And further disciplinary actions will be taken.

Bathroom Policy

Students will have an opportunity to take a restroom break multiple times a day during their 5-minute break between classes. If the need arises within class time students simply need to sign out/ sign back in. I do ask that students get back to class as quickly as possible to ensure they do not miss instructional time. If students frequently miss due to bathroom breaks, I will be contacting parents to check on medical issues/to inform missing class time.
