preferred procedures by which law enforcement officers will be summoned to arrest persons and permitted to enter school premises for the purpose of effecting arrests.

4. A school employee who believes that a law enforcement officer should be summoned to effect an arrest shall, whenever possible, so inform the Principal and the Principal shall call the law enforcement agency. 3. A Principal may request that a law enforcement officer assume the responsibility for conducting a search or seizure. Because law enforcement officers must meet a legal standard for the conduct of a search or seizure more stringent than that imposed on school officials, the law enforcement officer may decline to conduct the search.
4. No school employee shall impede any law enforcement officer engaged in a lawful search or seizure, whether or not the officer has presented a search warrant.
5. When law enforcement officers arrive on the scene of a joint and cooperative search commenced by school officials, the law enforcement officers will assume responsibility for the search and will conduct the search thereafter in accordance with standards governing the conduct of searches by law enforcement officers.
6. Any substance believed to be a controlled dangerous substance that comes into the possession of a school employee, whether as the result of a search or otherwise, must be handled in accordance with ¶G of this regulation.

  9. A question regarding the legality of any contemplated or ongoing search or seizure conducted by a law enforcement officer and relating to the use, distribution, or possession of a controlled dangerous substance or the law regarding searches generally may be directed to the County Prosecutor. - E. Interviews of Pupils Suspected of Possessing, Using, or Distributing a Controlled Dangerous Substance
1. A law enforcement officer who wishes to interview a pupil shall be required to ask the Principal for access to the pupil, regardless of the pupil's location in or about school premises or on a school-sponsored trip or at a school-sponsored event.
  2. The Principal shall ascertain the reason for the interview and whether the pupil is suspected of having committed an offense involving the use, possession, or distribution of a controlled dangerous substance or is merely being questioned for information.
  3. The Principal shall ask the law enforcement officer to delay the interview or conduct the interview away from school. In general, it should not be necessary to conduct an interview in school unless the matter involves:

The pupil may be questioned in the absence of the parent(s) or legal guardian(s) only if the parent(s) or legal guardian(s) refuses to attend or cannot be reached after all reasonable efforts at notification have failed.
5. If the interview is to be conducted in school, the Principal shall call the pupil to his/her office and shall remain present throughout the interview.
6. If the law enforcement officer has not done so, the Principal shall inform the pupil that he/she is not required by law to answer questions.
7. If the police officer has not done so, the Principal shall inform the pupil that he/she may request the presence of an attorney. If the pupil or his/her parent(s) or legal guardian(s) so requests, the interview will be terminated pending the participation of the pupil's attorney.
8. The Principal shall make it clear to both the law enforcement officer and the pupil that his/her presence is for the protection of the pupil, not to assist the interview process. The Principal shall:
  - a. Neither encourage nor discourage the pupil in his/her response to questioning nor counsel the pupil in any way;
  - b. Prohibit the use of threats or pressure of any kind to elicit a response from the pupil;
  - c. Refrain from conducting the interview on behalf of the law enforcement officer; and
  - d. Terminate the interview whenever he/she determines that it is conducted with less than fundamental fairness to the pupil.
