**Florida Department of Health Updates New COVID-19 Cases, Announces Twenty-Nine Deaths  
Related to COVID-19**

***~197,076 positive cases in Florida residents and 3,035 positive cases in non-Florida  
residents~***

**TALLAHASSEE** — The Florida Department of Health (DOH), in order to provide more comprehensive data, releases a report on COVID-19 cases in Florida once per day. The DOH COVID-19 dashboard is also providing updates once per day. The state also provides a report detailing surveillance data for every Florida county, which is available [here](#).

In order to make the daily COVID-19 report easier to download and more accessible, the daily report will now separate case line data in a separate PDF. Both reports will continue to be updated daily. The case line data report is available [here](#).

Test results for nearly 70,000 individuals were reported to DOH as of midnight, on Saturday, July 4. Today, as reported at 11 a.m., there are:

- 10,059 new positive COVID-19 cases (9,986 Florida residents and 73 non-Florida residents)
- 29 Florida resident deaths related to COVID-19

On July 4, 15.04 percent of new cases\*\* tested positive.

There are a total of 200,111 Florida cases\*\*\* with 3,731 deaths related to COVID-19.

Since July 4, the deaths of twenty-nine Florida residents who tested positive for COVID-19 have been reported in Broward, Dade, Indian River, Lee, Osceola, Palm Beach, Pasco and Pinellas counties.

Florida long-term care facility data:

- The list of long-term care facilities with active COVID-19 cases is available [here](#).
- The list of long-term care facilities with deaths is available [here](#), which is updated weekly.
- To date, 1,937 individuals that were staff or residents of a long-term care facility have died.

The antibody COVID-19 test results report will be provided once a week and contains county, race and lab information on antibody COVID-19 tests conducted in Florida. The report for antibody tests conducted by private health care providers is available [here](#) and the report for antibody tests conducted at state-supported COVID-19 testing sites is available [here](#).

**More information on a case-by-case basis can also be found [here](#).**
