

Call Out for May 21, 2021

This is Richard Dennis, Superintendent of Elmore County Public Schools.

One employee and four students reported testing positive for COVID-19 this week.

Tonight, Elmore County High School will host the last of Elmore County's graduations and will conclude one of the most unusual school years that most people have experienced. We are proud of the determination and the fortitude of these students in achieving this goal under difficult circumstances. We congratulate the Elmore County seniors graduating in the Class of 2021.

Monday is the last day for students and will be a make-up day for approved tests and assignments with students being dismissed by noon. Summer school programs will begin on June 1st. You may contact your student's school for more specific information.

If you would prefer to get my weekly call outs and other system-wide communications texted to you through Remind, visit the Elmore County Public Schools website and follow the registration process.

Thank you for your support and have a great weekend!

Every Student Empowered, Every Student Succeeds.

Richard Dennis
