1st Notice

Dear Parents & Guardians,

Re: Dismissal Changes

It is imperative that a student's dismissal arrangements are finalized before **2:00 pm.**

We prefer written notes sent in with the student!

Phone calls received after 2:00 pm to change a student's dismissal arrangements, causes confusion and can pose a safety concern if the message is not received. It is appreciated that written notes are sent in the morning. Parents should contact the school after this time **only** for true emergencies.

We thank you for your cooperation in this matter!

Dr. Muic
