Letter from the Principal

Dear Lake View Primary Family,

Welcome!

The school year is off to a great start. Although we may not be together in person, it is exciting to see and hear the students as they join their teachers remotely. Having our students come to school ready and eager to learn each day is encouraging, and I know we will emerge from this better and stronger than we were before. Thank you, parents and caregivers, for the support you provide during distance learning. We acknowledge the extra efforts this requires of you. We appreciate your patience and perseverance. Hang in there. You are doing great!

There is a lot of information in this month's newsletter. Please take the time to read the newsletter to and with your student. Their education is a shared responsibility. Even at this young age, with the support of teachers and families, we can guide them to take ownership of their social and academic growth.

Vania Creagh 2nd Grade Mrs. Senining

I have nominated Vania as the student of the month for August. I have seen Vania during our SEL specials class. She shows her PRIDE by being on time, being involved (look/listen), and by being determined (ask/answer questions). Vania always has a smile on her face and is eager to learn. I spoke with the other teachers and they also said that she is a delight to have in class. Thank you Vania for always showing your PRIDE and I can't wait to see you each week!

Social Emotional Learning (SEL)

Hi! My name is Mrs. Castelan and I am the School Counselor here at Lake View. My role as a School Counselor is to support the social/emotional, academic, and career needs of all students. Right now I am available to provide individual and group counseling sessions remotely. I am also teaching a specials class this year called SEL (social emotional learning). I will be meeting with your child's class once a week for 20 minutes.

What is SEL?

It's important to remember that students develop socially and emotionally at the same time they are developing academically. Ignoring social and emotional skills development will have an adverse effect on academics. That's why it's important for educators to be intentional when implementing social and emotional learning.

SEL consists of five key skills:

- **Self-awareness** – recognition of one's own emotions, personal goals, and values
- **Self-management** – regulation of one's own emotions and behaviors
- **Social awareness** – understanding of and compassion for others' backgrounds or cultures
- **Relationship skills** – ability to establish and maintain healthy relationships
- **Responsible decision-making** – making positive choices involving one's own behavior

These five key skills are essential for success in virtually every area of life, from education to employment to family and community relationships. Integrating SEL into the classroom not only creates better academic outcomes, it also gives students a firm foundation to operate successfully once their academic career is complete.

If you have any questions or would like to schedule a meeting with me please call (928) 608-4201, or email hcastelan@pageud.org

PBIS (Positive Behavioral Interventions and Supports) is an approach to teaching and supporting positive behaviors and meeting the needs of ALL students. This school-wide approach to discipline focuses on building a safe and positive environment in which all students can learn.

Lake View Primary building-wide expectations are:

Positive

Respectful

Involved

Determined

Excellent

Throughout the school year, students will be taught how to behave according to the five expectations. Teachers will help students learn what the expectations "look" and "sound" like in every setting during the school day. These

lessons will be re-taught and reinforced throughout the school year, and become a regular part of our instructional program. This impacts the students positively because they understand how to be successful in all areas through the use of our behavior matrix and common behavior expectations from faculty. Students are rewarded frequently with eagle feather tickets.

To be successful, our behavior program needs to be a partnership between home and school. This month please support PBIS at Lake View Primary by asking your child about behavior expectations in the following areas:

Classroom, hallway, bathroom, cafeteria, playground and assembly

During the year our team will be sending updates and information about PBIS. We invite your comments, concerns and ideas to make PBIS work at our school.

HOW CAN PARENTS HELP WITH ONLINE LEARNING?

DESIGNATE A LEARNING SPACE

HELP YOUR CHILD FIND A SPACE WHERE THEY CAN BE PRODUCTIVE. SURE IT WOULD BE NICE TO HANG OUT IN THE BEDROOM ALL DAY, BUT THEY NEED TO "GET UP AND GO TO WORK" TOO.

CREATE A SCHEDULE

KIDS ARE USED TO ROUTINES WHEN IT COMES TO LEARNING. HELP CREATE CONSISTENT ROUTINES AT HOME AS WELL. THINGS MAY THROW OFF THE SCHEDULE NOW AND THEN, BUT DO YOUR BEST TO STICK TO IT.

LIMIT DISTRACTIONS

PLAN AHEAD. THINK ABOUT WHAT THINGS AT HOME MAY DISTRACT YOUR CHILD AND SET PARAMETERS /GUIDELINES TO HELP LIMIT THOSE DISTRACTIONS. YOU MAY NEED TO MONITOR AND ADJUST AS NEEDED FROM TIME TO TIME.

CHECK-IN WITH YOUR CHILD

MAKE IT A POINT TO CHECK-IN WITH YOUR CHILD. SEE HOW THEY ARE DOING — ACADEMICALLY AND EMOTIONALLY. THESE ARE UNIQUE TIMES, MAKE SURE THEY KNOW YOU ARE A SOURCE OF SUPPORT.

COMMUNICATE WITH THEIR TEACHER

WE ARE ALL IN THIS TOGETHER. IF YOU AREN'T SURE ABOUT ASSIGNMENTS OR DUE DATES — ASK. IF YOU HAVE CONCERNS — LET'S TALK. THIS IS NEW TO US AS WELL, BUT WE CARE ABOUT YOUR CHILD TOO.

DON'T FORGET TO EXERCISE

LEARNING ONLINE MEANS SITTING IN FRONT OF A COMPUTER FOR SEVERAL HOURS A DAY. BUILD SOME BREAKS INTO YOUR SCHEDULE. MAKE TIME FOR THEM TO GET UP AND MOVE. GOOGLE A FEW EXERCISES FOR THEM!

DON'T BE A "HELICOPTER"

THEY ARE LEARNING MORE THAN MATH AND SCIENCE, THEY ARE ALSO LEARNING TO BE INDEPENDENT AND RESPONSIBLE. CHECK-IN WITH THEM, BUT DON'T HOVER. IF THERE'S A PROBLEM — FOLLOW UP, BUT LET THEM LEARN TO TAKE INITIATIVE ON THINGS.

TAKE CARE OF YOURSELF

THIS IS A TOUGH TIME FOR ALL OF US, YOU INCLUDED. MAKE A LITTLE TIME FOR YOU EACH DAY. DON'T LET STRESS ZAP YOUR ENERGY AND PATIENCE. WE NEED YOU. YOUR CHILD NEEDS YOU.

SEAN JUNKINS

Parents/Guardians:

This is a friendly reminder to provide any updates to your child's immunization records. Even during this time of COVID-19, Arizona laws still require students to obtain vaccinations for attendance at school, whether in-person or virtual.

The CDC and the American Academy of Pediatrics (AAP) recommend every child continues to receive routine vaccinations during the COVID-19 outbreak. If your child received immunizations, please bring their record to school as soon as possible.

If your child has a medical/non-medical exemption, there are forms provided in the Nurse's office or you can download and print at <http://www.azdhs.gov/phs/immun/pdf/school-exemption-form.pdf>

Thank you for your prompt attention to the health of your child. For more information regarding vaccinations and a Q&A page please visit the Arizona Department of Health Services website at: https://www.azdhs.gov/documents/preparedness/epidemiology-disease-control/immunization/immunization-requirements.pdf?utm_medium=email&utm_source=govdelivery
