Yangtze River

Six Minute Solution

The Yangtze River is the longest river in China. It is the third longest river **(in)** the world. It runs from the **(mountains)** in the West to the flat **(land)** in the East by the China **(Sea)**. Over 700 rivers flow into the Yangtze. **(The)** water in the river is brown. **(The)** river runs like a zigzag all **(of)** the way from the mountains to **(the)** sea. The Yangtze River is divided **(into)** three parts. In the upper part, **(the)** river is small. There are many **(big)** rocks and waterfalls. The water moves **(very)** fast. Boats cannot sail in the **(upper)** part. In the middle part, the **(water)** flow is slower. Many boats sail **(on)** the river. There are tall hills **(on)** both sides of the river. Sometimes **(only)** one boat can sail at a **(time)**. There are lots of trees and **(flowers)**. It is very pretty. There are **(many)** small towns and fishing villages built **(along)** the river. In this part of **(the)** river, a darn is being built. **(It)** will be the world's biggest darn. **(Then)** there will be no more floods. **(In)** the lower part of the river, **(the)** river is wide. The water flow **(is)** very slow. Many ships sail on **(the)** river. The land beside the river **(is)** flat. There are many farms and **(big)** cities along the river. The Yangtze **(River)** is a very important river in **(China)**. People have lived and worked along **(the)** river for thousands of years.

Yangtze River

Six Minute Solution

The Yangtze River is the longest river in China. It is the third longest river (**river, in, sail**) the world. It runs from the (**brown, mountains, sometimes**) in the West to the flat (**darn, land, being**) in the East by the China (**on, Sea, years**). Over 700 rivers flow into the Yangtze. (**Can, The, Mountains**) water in the river is brown. (**Is, At, The**) river runs like a zigzag all (**to, way, of**) the way from the mountains to (**the, moves, china**) sea. The Yangtze River is divided (**towns, into, world**) three parts. In the upper part, (**the, slow, trees**) river is small. There are many (**big, of, there**) rocks and waterfalls. The water moves (**fishing, very, beside**) fast. Boats cannot sail in the (**sea, upper, divided**) part. In the middle part, the (**in, river, water**) flow is slower. Many boats sail (**all, on, water**) the river. There are tall hills (**on, no, people**) both sides of the river. Sometimes (**runs, only, like**) one boat can sail at a (**time, be, three**). There are lots of trees and (**flowers, sides, boats**). It is very pretty. There are (**thousands, boat, many**) small towns and fishing villages built (**both, along, zigzag**) the river. In this part of (**a, pretty, the**) river, a darn is being built. (**It, Waterfalls, More**) will be the world's biggest darn. (**Very, Then, Sea**) there will be no more floods. (**Lots, Many, In**) the lower part of the river, (**the, it, flow**) river is wide. The water flow (**fast, is, only**) very slow. Many ships sail on (**parts, boats, the**) river. The land beside the river (**many, is, wide**) flat. There are many farms and (**big, into, third**) cities along the river. The Yangtze (**from, flat, River**) is a very important river in (**China, big, rocks**). People have lived and worked along (**the, part, ships**) river for thousands of years.
