

Hello, hope all is well at your home.  
Below is are ways to retain all the  
knowledge you have gained as well as  
enhance your learning.

Stay safe!

1. Each week I will send out assignment  
for [todaysclass.com](https://todaysclass.com) on remind.

ex. March 16th Ethical & Legal Units 1-6

2. Review each objective by looking at  
PowerPoints on this website and your  
google account. Use your binder.

3. Research topics in the Health Care  
that interest you.

4. Watch videos on this site.

5. I have included projects for scholarships, volunteer information, and health care related camps opportunities.
