

# Jennings School District Parent Portal

Welcome Jennings School District Families. The Parent portal will allow you to have electronic access to many of your child's school records. This feature is intended to increase access for families to student records, improve school - home communication and it's intended to keep parents as informed as possible. If you have any questions regarding your child's records, please contact your child's school. Thank you for giving us the privilege to serve your family in the Jennings School District.

Sincerely,  
*Dr. Paula Knight*

Announcements for 1/2/2007

**Announcements from Edwards High School:**  
 Head Lice Alert

**ALERT:** This alert has been issued as the result of a higher than average incidence of head lice infestation.

Head lice do not carry any disease, nor does their presence mean that you or your child are dirty. Head lice can infest anyone. To prevent further spread of head lice to other students, this condition should be treated immediately. If infested, your child will not be allowed to return to class until the infestation has been properly treated. You may wish to consult your family physician, a local pharmacist, the school nurse, or you can follow the recommendations below. In addition, you should inspect the entire family for head lice as your child may have spread it to other members.

## Attendance Steps

Districts have the ability to designate a point value for each absence (e.g. excused absences might count as five points, excused absences count as one point, etc.) These points are then totaled and letters are mailed to the parents of students who have more than a certain number of points. Contact the district for details about their Attendance Step policy.
