

Dear Future Bonaire 7th and 8th Jaguar football players,

I just wanted to take this time to say, I hope everyone is staying safe and practicing social distancing, as well as washing hands regularly and using good hygiene. Remember eligibility for next year is based on this year's grades, so continue to work hard on your academics first and foremost.

If for some reason you need help or guidance during this time, we are here for you please call or email. [478-929-6235](tel:478-929-6235)
