Note to Christian Radio Supporters,

In Scott Peck's book, "A Road Less Traveled", the first three words are, "Life is difficult." Quite a way to start a book, right? I've read that MOVING is one of the most stressful life events. As you know, people are moving to our area at faster rate than we've ever seen.

That, my friends, is an opportunity for ministry.

Statistics show people who go through stressful events like moving, breakups, death, etc... are more open to the Gospel of Jesus Christ. This radio ministry is well poised to touch and minister to our population

influx. So, **continue to pray for and give to this ministry**, even in the midst of summer.

Please remember, **you** are making a huge difference in the lives of people. On top of the stress of moving, who knows what people are going through. God's blessing on you.

In His Service & yours,

Todd Seeley

A LISTENER WRITES

I was feeling depressed about getting older in life and not having someone to share my life with. I cried out to God that things would be a lot better if I just had that significant other in my life to share the load of things that I am going through. While **I was waiting on God to answer me, the song "Who Am I" came on the radio, and all that I could do was start to cry and raise my hands to praise the Lord. It was in that moment that I realized that I didn't need anyone else in my life except the Lord** to rely on for the problems that I was going through. It also made me realize because of all that Christ did for me, who do I think that I am requesting anything in return for just serving Him for the rest of my life? Thank you for letting me share. God Bless.

If Christian radio has made a difference in your life and you don't have a means of helping support the station financially, there are 2 other important things you can do: 1) Keep us in your prayers that God may use this radio ministry for His glory and 2) Support business underwriters. **Thank them for supporting Christian radio and use their services when possible.** Underwriters this week include:
