Read The Cloud Book by Tomie dePaola (Look for book on Epic or Youtube)

Do rain cloud experiment

Making a rain cloud is one of the cloud activities that we would have done in class.

Read Clouds by Grace Hansen (Look for book on Epic or Youtube)

Activity: Make the 4 types of clouds using cotton balls, glue, and construction paper. Stretch and pull the cotton balls to make each type of cloud. (We would have done this activity in class as well)
