

Janet M. Serino
Superintendent

April 6, 2020

Dear Parents & Guardians,

During this stressful time of the Coronavirus, our hope is to provide as much normalcy as possible for our students. The Wyoming Area School District has developed a Continuity of Education (CoE) Plan to provide educational programming to our students and families; a copy of the plan is available on the District Website.

As a Phase I response, the District provided a number of resources for our students to utilize. Currently, our expectations are informal review and enrichment activities of previous instruction. All resources are available on the Wyoming Area website.

In addition to the student resources already provided, over the last several days, our teachers received professional development on using the Google Classroom platform. The District's Phase II response includes our teachers creating Google Classrooms for your children and these classrooms will be launched very soon.

We realize that our students in K thru 3rd Grade may not be as familiar with the use of a Google Account; there will be specific directions communicated to families early next week about how to log in to your child's Wyoming Area Google Account. Many students in Grades 4th thru 12th are already familiar with their WA Google Account; they should be able to access their accounts without difficulty.

Teacher Classroom focused Review and Enrichment activities will be available starting on April 8, 2020. We are encouraging and suggesting that students complete sessions based on these schedules:

- **K thru 2nd Grade:** Three (3) 10 minute sessions per day
- **3rd-4th-5th-6th Grades:** Three (3) 25 minute sessions per day
- **7th-8th Grades:** Three (3) 35 minute sessions per day
- **9th-10th-11th-12th Grades:** Three (3) 40 minute sessions per day

Your child's Teachers will be posting activities based on the follow schedule:

- **K thru 3rd Grade:** Reading (Daily); Math (Daily); Science or Social Studies (Fri); Phys Ed (Mon); Health (Tue); Art (Wed); Music (Thu)
- **4th-5th-6th Grades:** ELA/Math (Mon/Wed/Fri); Social Studies/Science (Tue/Thu); Related Arts: Phys Ed (Mon); Health (Tue); Art (Wed); Music (Thu); Computers (Fri)

Janet M. Serino
Superintendent

- **7th-8th Grades:** ELA/Social Studies (Mon); Science/Math (Tue); Family Consumer Science/Music (Wed); Health/Phys Ed/World Languages (Thu); Business & Comp/Tech Ed/Art (Fri)
- **9th-10th-11th-12th Grades:** ELA/Social Studies (Mon); Science/Math (Tue); Family Consumer Science/Music (Wed); Health/Phys Ed/World Languages (Thu); Business & Comp/Tech Ed/Art (Fri)

The District is acutely aware that not all students learn the same way or at the same pace. The District's CoE Plan continues to be revised so supports are in place for all students to be able to access review and enrichment materials as reasonably as possible under the current circumstances, while maintaining the health and safety of our students, families, and employees.

If your family is having difficulty accessing technology or the internet, please contact the District at 570-655-2836, extension 2361 or via email at techsupport@wyomingarea.org.

We hope everyone remains safe and healthy. We ask that everyone stay at home and utilize the review and enrichment activities we have provided. We miss everyone and hope to see you soon.

Sincerely,

Wyoming Area School District Administration
