Indiana Gov. Eric Holcomb signed a bill into law Thursday that calls churches and religious organizations "essential services" and limits how the state can restrict them during an emergency.

A LISTENER WRITES

Hey Guys! All I can say right now is **WOW!** I listen to Power 88 every morning on my way to school but this morning was different! My fiancé and me have been struggling with some things and we have been very convicted of them and been trying to let it go for quite some time now! This morning I was feeling a little bummed about it because I want to be able to lay it down and be all that I can be for GOD! I have heard this song many times but it never touched me until this morning! I don't know the name of it but it says "I praise and adore you lay it all down before you in every way your beautiful....." **I just want to thank you for all that -Power 88!** Y'all are wonderful! I am so grateful that I have this station to lean on in times of need or just **to be able to praise and worship or AWESOME GOD!**
