

FOURTH 9 WEEKS

3RD GRADE MATH

Area

Resources:

- enVision Math Topic 14
- coolmath4kids.com
- www.mathisfun.com
- http://www.harcourtschool.com/menus/math2004/math2004_gr3.htm
- <http://alex.state.al.us/ccrs/node/76>
- www.multiplication.com

Examples:

- Covering Regions
- Area and Units
- Standard Units
- Area of Squares, Rectangles, and Irregular shapes
- Area and the Distributive Property
- Same area, different perimeter
- Equal Areas and Fractions
- Selecting Appropriate tools for measurement

Vocabulary:

Area, square units, distributive property, fraction, yard, yard stick, ruler, inches, feet, kilometers, meters, regions, centimeters, standard units, grid

Liquid Volume and Mass

Resources:

- enVision Math Topic 15
- http://www.harcourtschool.com/menus/math2004/math2004_gr3.htm
- <http://alex.state.al.us/ccrs/node/76>

Examples:

- Customary Units of Capacity
- Metric Units of Capacity
- Units of Mass
- Units of Weight

Vocabulary:

Capacity, cup, pint, quart, gallon, milliliter, liter, mass, gram, kilogram, weight, ounce, pound, ton,

Data

Resources:

- enVision Math Topic 16
- http://www.harcourtschool.com/menus/math2004/math2004_gr3.htm

Examples:

- Line Plots,
- Length and Line Plots
- Reading and Making Pictographs and Bar Graphs
- Using tables and graphs to draw conclusions

Vocabulary:

Line plot, pictograph, key, bar graph, scale

COMMON CORE STANDARDS COVERED THIS 9 WEEKS= 3RD GRADE MEASUREMENT AND DATA 2-7.
