Covid-19 Remote Lesson

4th Period World Geography

European Union Project

The European Union is a unique economic and political union between 27 EU countries that together cover much of the continent. In this project I want each of you to do some research and answer the following questions:

What are the EUs member nations?

When was it formed?

Why was it formed?

Where is the governance of the EU based?

What are the 7 institutions of the EU?

What is the currency and why?

What are the goals of the EU?

What are the EUs values?

How did the formation of the EU benefit world trade for its member nations?

What role does the EU play in the military defense of its member nations?

What is **Brexit**?

Answer as if you are explaining the EU to a person who has never heard of it.

Be sure to cite the sources for your answers!!!!
